

🔌 Cybersecurity CyberSnack 🔌

Just as the Internet continues to grow and change, so does our ability to grow with this changing landscape and keep up with all the digital devices. Those who work in cybersecurity help keep us safe and secure, but it is also important to help make their job easier.

I, _____, am a cybersecurity helper!!

(insert your name)

What digital devices would be in your Cyber City?

Your Cyber City superhero would have what superpower?

My cybersecurity helper shield superpower would be....

I am a cybersecurity helper because ...
